Tuition is to be paid in full prior to beginning the first class unless other arrangements are made and approved. The tuition amount covers the cost of a specified number of classes and supplies. This is the cost of the class regardless of how many classes you are able to attend within the time period specified. No refunds will be granted for classes missed.

Refunds are not offered after the end of the second week of class, at which time we would refund unspent tuition less supplies. Refund requests must be made to Carol after class time. Please be aware that classes may be canceled or rescheduled for low enrollment or attendance. In this event only, you will have the option to receive a full refund or have the paid tuition applied toward another class. *There is a \$30.00 fee for checks returned by the bank for any reason.*
